▼ Not knowing anything about this PB group, I began to learn through their support of patriot events, that they are the real thing. I felt awful when a chapter's toys for tots drive was shut down, but but am learning to not second guess what could happen anymore. When I heard that Enrique's participation in Wednesday's events was hindered by his arrest- I am moved to help. And now we have the gift of this post. Sir(s) your actions have shown who you really are. Thank you and God Bless.

▼ He was fucking arrested the second he landed in DC. He was forced out of town.

Stop blaming real patriots and shift your anger at the true enemy of our nation.

What have you done to help other than attacking patriots? If he's an asshole, what are you?

▼ I refrained from going to democrat cities to fight with antifa .

Proudboys was a stupid ignorant group that was a thorn in Trumps side They didn't do anything but cause the Confrontations that the left wanted.

▼ Events held in Democrat cities where the police are in fact on Antifa's side

It was always dumb , and it harmed President Trump on purpose.
